Participation				
Class Behavior	Followed all class rules this week (including Chinese time). Focused, enthusiastic, and respectful to all.	Sometimes broke one or two rules this week. Usually focused and respectful, but not always.	Consistently broke class rules this week. Often distracting oneself or others (such as via technology).	Frequently broke rules this week; consistently disrespectful, disruptive, and/or distracted.
Attendance	Always came on time this week, with all required materials (i.e. packets, laptop, headphones, notebook, folder, pen, textbooks).	Late or unprepared no more than once this week.	Often unprepared or late to class this week.	One or more unexcused absences this week. Mostly late or unprepared.
Homework				
Lesson Preview [Note: This is *not* part of your official grade. However, it is very important!!]	Always and effectively previewed the new lessons this week. For new chapters: learning words and structures before class. For boss fights, workbooks, projects, etc: preparing for success.	Mostly but not always effectively previewed the new lessons this week. Demonstrating understanding of some lesson material, but not all.	Did not preview the new lessons this week effectively; previews were consistently hasty and incomplete.	Rarely or never previewed the new lessons this week; previews were extremely cursory.
Journal	Wrote substantial entries every school day this week (i.e. at least 3 lines). Used new and/or challenging words and structures.	Did not always complete Journal; entries occasionally too short, simple, or repetitive.	Often did not complete Journal. Entries far too simple or contain many errors.	Rarely or never completed the Journal. Entries are highly disjointed with constant errors or interference.
Handwriting [If you're handwriting your journal, this counts.]	Practiced handwriting Chinese characters every school day this week (at least 2-3 lines). The characters were new and/or challenging.	Did not always complete Journal; entries occasionally too short or simple.	Often did not complete Journal. Entries far too simple or contain many errors.	Rarely or never completed the Journal. Entries are highly disjointed with constant errors.

Skritter	Used Skritter every day this week (plus weekends). Used deliberate practice to review vocab effectively.	Used Skritter almost every day this week (i.e. 5-6 days). Mostly used deliberate practice, but not always.	Often did not use Skritter this week (i.e. 3-4 days). Did not use Skritter effectively (rushing through, mindless clicking, lack of reflection).	Rarely or never used Skritter this week (i.e. 0-2 days).
Skritter: Progress	Got Skritter "due items" to zero every day this week; fully caught up to current lessons.	Got Skritter "due items" to zero most days this week; may be several lessons behind the current lesson.	Did not get "due items" down to zero consistently this week. Many lessons behind current lessons.	Rarely or never got "due items" to zero this week. One full level or more behind current lessons.
